July 6, 2012

TO WHOM EVER IT MAY CONCERN

This is to certify that Faishal Saiyed, M. Sc. - IT student from DAIICT - Ahmedabad, successfully completed a summer internship with Hachi Labs - Bangalore, from May 7th - July 4th, 2012. During his internship, we found him to be hard working, committed and focussed on his project. Besides, he quickly picked up new technologies and implemented the same.

Faishal has a positive attitude towards work, and is a great team player. We wish him the very best in his future endeavors.

Best regards,

Rachna Singh
Founder - Hachi Labs
